

Section 3 - External Auditor Report and Certificate 2023/24

In respect of

Tilton on the Hill and Halstead Parish Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2023/24

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 12 of the Audit and Accounts Regulations 2015 requires the RFO to complete Section 2 of the Annual Governance and Accountability Return prior to passing it to the Council for its approval. This year, the Council approved the Return before the RFO which is a breach of this regulation. In future the Council should ensure the form is duly completed prior to it considering it for approval.

The council has recorded a 'Yes' response at Assertion 1 effectively reporting that it has put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements in accordance with the Accounts and Audit Regulations. Since control objective J of the Annual Internal Auditor's Report has been answered 'No' we would have expected Assertion 1 to be consistent with the Annual Internal Auditor's Report.

Other matters not affecting our opinion which we draw to the attention of the authority:

The internal auditor has provided a 'yes' response at control objective K on their report. This suggests that the council correctly claimed exemption from audit in the previous (2022-23) year. As the council was not exempt and did not claim exemption, the answer to this point should have been 'not covered'.

Incomplete information was provided with the initial supporting data submitted for review with regards to significant variances, which was later provided on request. The Parish Council should in future ensure that all the necessary supporting information is provided with their annual submission.
